

ISA GT Colombian artist based in Berlin & London, has been making waves for being a visionary producer, a very skillful Dj and for her prolific collaborations with other artists. She was once dubbed by **The Fader** as "The Colombian equivalent to Nueva York's ESG", quickly after arriving in London, Isa established herself as the go-to in the city for her new approach to partying and for the undeniable and fearless way of mixing and melting genres from House, Disco, Groove to the new Latin rhythms. ISA GT is one of the main figures of the Global Bass genre and was featured recently on the series **#DIGIT** broadcasted on ARTE channel.

With releases on: the legendary Fania Records, Mad Decent, Man Recordings, Dim Mak, Don't Be Afraid, Highscore Publishing and her own Etoro Records.

Member of the infamous London collectives **GIRLCORE** and **WOWOW!**. Isa is well known in the musical and art circles, not only because of her many skills as a music entrepreneur, but as an innovator, if it doesn't exist Isa will make it happen.

isa gt.

Isa has played in some of the best stages, festivals and parties around the globe. From getting the crowd dancing before Boys Noize at a Bugged Out warehouse party in London, to being M.I.A.'s dj at Montreux Jazz Festival, to touring in Mexico, Coachella parties, and hosting a residency at Bossa Nova Club (NYC) with Joakim and In Flagranti as guests, while playing some memorable dj sets at Bloc and Fusion festivals.

Isa GT was in charge of the GIRLCORE radio show on Ministry of Sound and Diesel radio, as well as being a guest of different radio shows on stations like BBC, Monocle FM and East Village Radio and currently hosting her monthly show **Musicalia** via Berlin Community Radio. Isa recently worked as a music consultant/researcher for the video series 99 Cities and currently is the music director at the W Hotel Maldives.

Isa continues her curatorial mission, selecting music for releases on her own label **Etoro Records**.
